Patternmaking 101:

In this course you will take a basic skirt bloc and alter it to create a full skirt with a gathers, an A-line skirt, a gored skirt, and a pencil skirt. You will manipulate darts and waistbands, and place zippers, pleats and pockets.

Patternmaking 102:

In Patternmaking 102 you will take what you learned in Patternmaking 101 and draft a custom skirt pattern using your own measurements. You will make and alter a muslin to ensure perfect fit, then construct the skirt you designed!
